

INSTALLATION GUIDE FOR R AND RSTUDIO

Step 1: Install R

1. Download the R installer from <https://cran.r-project.org>

The screenshot shows the CRAN website with the 'Download and Install R' section. A red arrow points to the 'Download R for Windows' link. Another red arrow points to the 'base' subdirectory link in the 'Subdirectories' section. A third red arrow points to the 'Download R 4.0.2 for Windows' link in the 'R-4.0.2 for Windows (32/64 bit)' section. A fourth red arrow points to the 'Installation and other instructions' link below it.

2. Run the installer. Default settings are fine. If you do not have admin rights on your laptop, then ask you local IT support. In that case, it is important that you also ask them to give you full permissions to the R directories. Without this, you will not be able to install additional packages later.

Step 2: Install RStudio

1. Download RStudio:
<https://www.rstudio.com/products/rstudio/download/>

The screenshot shows the RStudio download page. A red arrow points to the 'Download RStudio' button. Another red arrow points to the 'RStudio Desktop' button. A third red arrow points to the 'Download RStudio for Windows' button. A fourth red arrow points to the 'Download' button. A fifth red arrow points to the 'Download RStudio for Windows' button. A sixth red arrow points to the 'Download' button. A seventh red arrow points to the 'Download RStudio for Windows' button. An eighth red arrow points to the 'Download' button.

The screenshot shows the RStudio Desktop download page. A red arrow points to the 'Download' button. Another red arrow points to the 'Download RStudio for Windows' button. A third red arrow points to the 'Download' button. A fourth red arrow points to the 'Download RStudio for Windows' button. A fifth red arrow points to the 'Download' button. A sixth red arrow points to the 'Download RStudio for Windows' button. A seventh red arrow points to the 'Download' button. An eighth red arrow points to the 'Download RStudio for Windows' button. A ninth red arrow points to the 'Download' button. A tenth red arrow points to the 'Download RStudio for Windows' button. An eleventh red arrow points to the 'Download' button. A twelfth red arrow points to the 'Download RStudio for Windows' button. A thirteenth red arrow points to the 'Download' button. A fourteenth red arrow points to the 'Download RStudio for Windows' button. A fifteenth red arrow points to the 'Download' button. A sixteenth red arrow points to the 'Download RStudio for Windows' button. A seventeenth red arrow points to the 'Download' button. An eighteenth red arrow points to the 'Download RStudio for Windows' button. A nineteenth red arrow points to the 'Download' button. A twentieth red arrow points to the 'Download RStudio for Windows' button. A twenty-first red arrow points to the 'Download' button. A twenty-second red arrow points to the 'Download RStudio for Windows' button. A twenty-third red arrow points to the 'Download' button. A twenty-fourth red arrow points to the 'Download RStudio for Windows' button. A twenty-fifth red arrow points to the 'Download' button. A twenty-sixth red arrow points to the 'Download RStudio for Windows' button. A twenty-seventh red arrow points to the 'Download' button. A twenty-eighth red arrow points to the 'Download RStudio for Windows' button. A twenty-ninth red arrow points to the 'Download' button. A thirtieth red arrow points to the 'Download RStudio for Windows' button. A thirty-first red arrow points to the 'Download' button. A thirty-second red arrow points to the 'Download RStudio for Windows' button. A thirty-third red arrow points to the 'Download' button. A thirty-fourth red arrow points to the 'Download RStudio for Windows' button. A thirty-fifth red arrow points to the 'Download' button. A thirty-sixth red arrow points to the 'Download RStudio for Windows' button. A thirty-seventh red arrow points to the 'Download' button. A thirty-eighth red arrow points to the 'Download RStudio for Windows' button. A thirty-ninth red arrow points to the 'Download' button. A fortieth red arrow points to the 'Download RStudio for Windows' button. A forty-first red arrow points to the 'Download' button. A forty-second red arrow points to the 'Download RStudio for Windows' button. A forty-third red arrow points to the 'Download' button. A forty-fourth red arrow points to the 'Download RStudio for Windows' button. A forty-fifth red arrow points to the 'Download' button. A forty-sixth red arrow points to the 'Download RStudio for Windows' button. A forty-seventh red arrow points to the 'Download' button. A forty-eighth red arrow points to the 'Download RStudio for Windows' button. A forty-ninth red arrow points to the 'Download' button. A fiftieth red arrow points to the 'Download RStudio for Windows' button. A fifty-first red arrow points to the 'Download' button. A fifty-second red arrow points to the 'Download RStudio for Windows' button. A fifty-third red arrow points to the 'Download' button. A fifty-fourth red arrow points to the 'Download RStudio for Windows' button. A fifty-fifth red arrow points to the 'Download' button. A fifty-sixth red arrow points to the 'Download RStudio for Windows' button. A fifty-seventh red arrow points to the 'Download' button. A fifty-eighth red arrow points to the 'Download RStudio for Windows' button. A fifty-ninth red arrow points to the 'Download' button. A sixtieth red arrow points to the 'Download RStudio for Windows' button. A sixty-first red arrow points to the 'Download' button. A sixty-second red arrow points to the 'Download RStudio for Windows' button. A sixty-third red arrow points to the 'Download' button. A sixty-fourth red arrow points to the 'Download RStudio for Windows' button. A sixty-fifth red arrow points to the 'Download' button. A sixty-sixth red arrow points to the 'Download RStudio for Windows' button. A sixty-seventh red arrow points to the 'Download' button. A sixty-eighth red arrow points to the 'Download RStudio for Windows' button. A sixty-ninth red arrow points to the 'Download' button. A seventieth red arrow points to the 'Download RStudio for Windows' button. A seventy-first red arrow points to the 'Download' button. A seventy-second red arrow points to the 'Download RStudio for Windows' button. A seventy-third red arrow points to the 'Download' button. A seventy-fourth red arrow points to the 'Download RStudio for Windows' button. A seventy-fifth red arrow points to the 'Download' button. A seventy-sixth red arrow points to the 'Download RStudio for Windows' button. A seventy-seventh red arrow points to the 'Download' button. A seventy-eighth red arrow points to the 'Download RStudio for Windows' button. A seventy-ninth red arrow points to the 'Download' button. An eightieth red arrow points to the 'Download RStudio for Windows' button. An eighty-first red arrow points to the 'Download' button. An eighty-second red arrow points to the 'Download RStudio for Windows' button. An eighty-third red arrow points to the 'Download' button. An eighty-fourth red arrow points to the 'Download RStudio for Windows' button. An eighty-fifth red arrow points to the 'Download' button. An eighty-sixth red arrow points to the 'Download RStudio for Windows' button. An eighty-seventh red arrow points to the 'Download' button. An eighty-eighth red arrow points to the 'Download RStudio for Windows' button. An eighty-ninth red arrow points to the 'Download' button. A ninetieth red arrow points to the 'Download RStudio for Windows' button. A ninety-first red arrow points to the 'Download' button. A ninety-second red arrow points to the 'Download RStudio for Windows' button. A ninety-third red arrow points to the 'Download' button. A ninety-fourth red arrow points to the 'Download RStudio for Windows' button. A ninety-fifth red arrow points to the 'Download' button. A ninety-sixth red arrow points to the 'Download RStudio for Windows' button. A ninety-seventh red arrow points to the 'Download' button. A ninety-eighth red arrow points to the 'Download RStudio for Windows' button. A ninety-ninth red arrow points to the 'Download' button. A hundredth red arrow points to the 'Download RStudio for Windows' button.
